Note that the details on this publication were correct at time of printing. We recommend that you should always ensure your installation company remains Gas Safe registered and registered to offer any specific grants or incentives. Details of all installers registered with Phoenix Natural Gas can be found on our website www.phoenixnaturalgas.com. Please note that all installers advertising on this leaflet have paid for their inclusion. Our Energy Advisors are not qualified or authorised by Phoenix Natural Gas to introduce or recommend the services of any particular installer. Phoenix Natural Gas will not accept liability for any equipment installed or quality of work performed by any installer. Any agreement made to install natural gas central heating or other gas appliances, including any financial transactions, is between the customer and their chosen installer, not Phoenix Natural Gas. Homeowners installing a central heating appliance will be required to make an application to the Building Control department of their local council prior to work commencing.
