

We're Hiring!

Apprentice Emergency Gas Engineer

Ref: P1206

Phoenix Energy Services are delighted to announce we are working in partnership with Belfast Metropolitan College in the recruiting of Engineering Technical Apprentices.

Phoenix Energy Services is one of Northern Ireland's fastest growing service providers. As an operating division of Phoenix Energy Holdings Ltd., with an excellent track record in the delivery of essential energy services. Phoenix Energy Services now require more staff to support future growth into 2019 and beyond.

Phoenix Energy Services offers exceptional opportunities for you to develop your career potential within the mechanical engineering services and energy utilities sectors. If you are ambitious, highly motivated and customer-focused, it's natural you will want to grow with us!

You'll become part of a £1 billion industry employing over 3000 people in NI.

Having recently celebrated our 20th anniversary Phoenix are enjoying a phase of maturity and stability while continuing to invest in our original gas network licence area of Greater Belfast and extending into East Down.

We are well established in the local community, and see our corporate social responsibility programme as an important part of what we do.

This is an exciting opportunity in a family-feel culture, where staff go the extra mile to leave a legacy that will be around for years to come.

As well as great career opportunities, Phoenix offer an array of benefits from a contributory pension scheme to free car parking and on-site canteen, life assurance; annual health checks; as well as a free bus to work to name but a few.

This is an ideal opportunity for those seeking to start an exciting career in the natural gas industry under ApprenticeshipsNI with Phoenix Energy Services in partnership with Belfast Metropolitan College. To meet the requirements for the ApprenticeshipsNI programme applicants must be between 16 and 24.

All interested parties can apply on the Belfast Metropolitan College website to the City & Guilds Level 2 NVQ Diploma in Plumbing and Heating (Phoenix Apprenticeship) programme, course code C2403 101R, see link below:
